Employment History

Mooyah Burgers, Fries, and Shakes,
Metairie, Louisiana
Team Member August 2017 - October 2017

Some of my duties included keeping the drink station stocked, making tea, making lemonade, and making milkshakes. I also had to keep the bathrooms, tables, and floors clean. I took out trash. I had to serve customers, basically as a waitress. I started to learn the cash register. I had to deal with customers of many ages. As a Team Member I was one of the people customers brought issues to, and I had to send their messages to the cooks. I have stayed as late as 11 pm to clean up (mopping, trash etc.), even wiping windows and sweeping.
